# KITCHEN

Delta® kitchen collections are full of innovations to make your life easier. Reinvent how you interact with your kitchen with our Glass Rinser, Touch<sub>2</sub>O® Technology, MagnaTite® Docking and more. Find your ideal faucet—both style and function—for your everyday routines.

## VOICEIQ™ TECHNOLOGY

Delta® VoiceIQ Technology dispenses exactly the amount of water you need with hands-free voice activation. Command your faucet to turn on and off, warm the water, turn on hand wash mode, dispense a metered amount or fill custom containers like your coffee pot.

## TOUCH<sub>2</sub>O® TECHNOLOGY

Touch it on. Touch it off. Start or stop the flow of water with a simple touch anywhere on the spout, hub or handle.

## INSTANT HOT FAUCETS

Provide near boiling water, perfect for cleaning, cooking and more.

## SHIELDSPRAY® TECHNOLOGY

A powerful spray within a protective sphere of water clears away mess with an average of 90% less splatter than a standard spray.

## MAGNATITE® DOCKING

A powerful magnet keeps pull-down wands in place—and faucets looking picture perfect.

## TEMPSENSE® INDICATOR

Clearly shows when water is cold, warm or hot with a color-changing display, helping your family avoid hot and cold temperature surprises.

## DIAMOND SEAL® TECHNOLOGY

Using diamonds, one of the hardest substances on Earth, Delta faucets are longer-lasting, leak-free and less hassle to install.
